

BNN INTERNSHIP: ENGINEERING

Job Title: Engineering Assistant

Hours Per Week: 20 hours a week Jan- June

Job Grade Level: Intern

Base Pay Rate: Unpaid Part- Time

Department: Engineering

Contact: interns@bnntv.org

Boston Neighborhood Network (BNN), Boston's community media center, offers public access to cable television channels, video production equipment and facilities, training, production support, and a multimedia computer center. By providing the means of production and a public forum, it invites diverse communities to express themselves and encourages broad-based public dialogue.

About the Position:

Interns will assist in the testing, repair and operation of BNN equipment. Interns will assist in technical and facility troubleshooting. To include work on computer equipment (peripherals, servers, etc.) studio cameras and audio boards, studio lighting and sound as well as visual display units. This is an unpaid internship but college credit may be available.

Qualifications:

- General soldering skills
- Minor tech knowledge
- Interest in testing equipment
- Organizational skills

Supervisor:

Dennis Dutra, Chief Engineer
