

BNN INTERNSHIP: MULTIMEDIA CENTER

Job Title: Multimedia Center Assistant

Hours Per Week: 20 hours a week Jan- June

Job Grade Level: Intern

Base Pay Rate: Unpaid Part- Time

Department: Multimedia Center

Contact: interns@bnntv.org

Boston Neighborhood Network (BNN), Boston's community media center, offers public access to cable television channels, video production equipment and facilities, training, production support, and a multimedia computer center. By providing the means of production and a public forum, it invites diverse communities to express themselves and encourages broad-based public dialogue. This is an unpaid internship but college credit may be available.

About the BNN Timothy Smith Network Media Lab:

- Provides low-cost access to high tech computers, high-speed Internet access, multimedia software for nonlinear editing, digital video/audio, training, and support.
- Offers high-tech job training for low and moderate-income residents
- Provides open access sessions for members of the Center
- Offers special seminars, classes and training for members
- Offers quality programs for youth and senior citizens

Qualifications:

- Oversee projects relating to youth and community development.
- Assist in the supervision of projects and open access sessions.
- Support members of various programs
- Work with Multimedia Center Coordinator to implement curriculum
- Assist with record keeping. Other duties may be assigned.

Supervisor:

Monique Douglas, Multimedia Center Coordinator
