*Could your organization benefit from a weekly talk show program? **BNNLive** programming may be the answer for your busy organization.*

BNNLive PROGRAMMING can help your busy organization produce a show to improve your visibility and effectively communicate important information to your constituents. No technical expertise is necessary. You provide the content, host and guests and the BNN production crew handles all the technical aspects of producing a show. **BNNLive** programming is a talk show format with viewer call-in capability designed specifically for nonprofit organizations. Boston-based or Boston-serving nonprofit community organizations, public agencies and institutions may qualify to participate in **BNNLive** programming shown on BNN's News & Information channel [Comcast 9 | RCN 15] and streamed live on our website. These programs are an effective, inexpensive way to reach your target audience. Go **BNNLive** at bnntv.org to learn more.
