Boston Neighborhood Network (BNN), Boston's community media center, offers public access to cable television channels and low power FM radio; video production equipment, facilities, training, production support; and a multimedia computer center. By providing the means of production and a public forum, it invites diverse communities to express themselves and encourages broad-based public dialogue.

WBCA is a low power, community radio station in partnership with Boston Neighborhood Network and the City of Boston. WBCA broadcasts daily from 6:00pm to 2:00am.

About the Position:

Interns will assist WBCA staff to write, record, and edit legal IDs, underwriting, public service announcements, promos, and other audio to air on WBCA 102.9 FM. This is an unpaid internship but college credit may be available.

Qualifications:

- Audio editing experience preferred, but not required
- Computer skills in word processing
- Ability to work with diverse community and staff
- Strong ability to complete tasks as directed and to work under time pressure

Supervisor:

Morgan Jaffe, Radio Station Manager
